Essay Questions (choose one)

1. Your university has hired you to design a new parking garage on campus utilizing either galvanized steel or concrete. Create a proposal outlining the benefits of your material selection and why it is the best option for the new garage. A contract bonus is available to your design firm if the project is completed ahead of schedule. (Consider steelparking.com as a resource to start your research.)
2. The mayor of your city is planning to build a new pedestrian bridge to cross a busy thruway in the downtown area. The mayor conducted a poll of the community asking what they would like to see in the new bridge. The top responses were for the bridge to be safe, attractive, cost effective, and sustainable. Submit a proposal to the mayor and community outlining the material you will use and how it addresses the community's wishes. (www.gowithgalvanizing.com).
